IMPORTANT INFORMATION from the Physician Surgery Center of Albuquerque

- **You will need a ride the day of your surgery and they must remain at the surgery center** throughout the duration of your visit (2-3 hours), or you will be cancelled. Public transportation **may not** be substituted.
- **You should have someone with you for the first 24 hours after your surgery.**
- You may be required to get a medical clearance from your Specialist or Primary Care provider. Please refer to the list on the back of page to check medical clearance necessity.

If you have questions, please call your surgery coordinator. Our surgical coordinators can be reached by email or phone. If you reach their voicemail, please leave a message and they will return your call as soon as possible.
